**CITY OF PANAMA CITY, FLORIDA
TEMPORARY HYDRANT METER
SERVICE AGREEMENT**

The undersigned requests and acknowledges receipt of a fire hydrant meter to be set at _____ for a period not to exceed _____ days. (180 day maximum)

The undersigned accepts full responsibility of said meter and agrees to adhere to all rules and procedures set forth herein, including but not limited to the following:

- ◆ Hydrant meters shall be furnished, installed, relocated, and removed by Utilities Department personnel only. The meter shall remain the property of the City and shall be subject to the exclusive control of the Utilities Department. The City reserves the right to deny use of temporary hydrant meters, when in the sole judgment of the Utilities Department, such use is inconsistent with City policy or with the public health and welfare. Privately owned hydrant meters may be used only with prior approval of the Utilities Department and shall be subject to all other provisions of this agreement.
- ◆ Customers shall be supplied with temporary water service at regular commercial consumption rates upon written application by such customers, agents, or other responsible parties and upon payment of a required service deposit and a non-refundable connection fee. The deposit shall be held by the City as a guarantee for the loss or damage of its equipment and the payment for water used. Upon final determination of all applicable charges and the discontinuance of service, such charges shall be deducted from the deposit and the balance, if any, returned to the customer.
- ◆ All hydrant meters shall be read on a monthly basis by Utilities Department personnel. Service agreements shall be paid in full not less than every 30 days. Failure to comply with any provision of this service agreement shall result in the immediate termination of service and removal of the temporary meter. Disputed charges shall be subject to resolution through the same departmental policies /procedures as other permanent meter services.

- ◆ Customers shall be liable for all damages, repairs or replacements of the hydrant meter, meter assembly, fire hydrant, hydrant assembly, connections and other appurtenances, including the City water distribution system, normal wear and tear excepted.
- ◆ Upon the failure of a customer to pay all such applicable costs, the City shall assess such additional fees, penalties, or other remedies as may be provided according to the Code of Ordinances of the City.
- ◆ Customers shall install City approved backflow prevention devices at each hydrant meter connection as may be reasonably required to protect the public drinking water supply from cross-connections or contamination. The customer shall be responsible for the periodic inspection and testing of such backflow device to ensure that such device is in good working order.
- ◆ Customers shall abide by all applicable provisions of Chapter 24 of the Code or Ordinances of the City of Panama City entitled "Utilities" and such other rules and policies as may be required by the Utilities Department or the City to enforce such provisions.
