---

## ITEM:

Consideration of authorization to sole source the purchase of a MP5000 hydraulically operated *mobile* surface mounted barrier system from Delta Scientific Corporation. A review of similar products yielded this to be the only product of its type for the following reasons:

- Uses hydraulically automated lifting jacks
- K4 & K8 Crash Tests
- Lightweight, yet rugged independent suspension – Torsion axles
- Fully detachable trailer assembly

This is the only known mobile barrier system that will meet the specialized needs of the Panama City Police Department and Port Panama City.

## BACKGROUND INFORMATION: DEPARTMENT HEAD RECOMMENDATION:
