RE: Harrison Avenue Transportation Design Report
Progress Report & Invoice

Dear Mr. Sims:

This status report supports the attached invoice for work performed by HPE. The following information elaborates on our work accomplished:

- Worked on document for construction purposes called the Transportation Design Report
- This document clarified the traffic control plans for Harrison Avenue
- This report established the context classification for Harrison Avenue that guided the design process

This Invoice #21-21 is for \$34,380.00. If you have any questions, please call.

Sincerely,

Richard A. Hall, P.E.
President
